

2007 LOVAT AWARD WINNER: JAIME JACINTO

Mr. Rick P. LOVAT, President and C.E.O. of LOVAT Inc. is pleased to announce that Mr. Jaime JACINTO is the second recipient of the **VIC ZUCCO AWARD**.

This Award is named in honour of Vic ZUCCO - a 32-year veteran of the LOVAT organization until his passing in early 2005. As the lead TBM Designer and Logistics Specialist for LOVAT, Vic exemplified the highest level of Skill, Dedication, and Character which define the LOVAT identity worldwide.

Jaime has been a part of LOVAT since 1989 and is currently the Equipment Manager for LOVAT Iberica – LOVAT’s new facility in Lisbon, Portugal. Jaime has been instrumental in helping establish LOVAT’s success, in Portugal and Spain.

Jaime’s experience as a TBM Technician and troubleshooting abilities have translated into clear results for LOVAT and its customers. As such, Jaime reflects the highest ideals of LOVAT and exemplifies the principles that the award is based on.

Vic Zucco
TBM Designer -
Logistics Specialist

Over 30 years of his tunnelling career at Lovat took Vic to the four corners of the world, where he stood wholeheartedly behind the same machines he had designed. From hydraulics to mechanics, he was the mentor of many; his dedication, loyalty and creativity were second to none. He broke new ground in TBM design, to truly become a pioneer of our industry and a pillar of our organization.
